CAR WASH INDUSTRY

DYNAMIC AND HIGHLY PROFITABLE BUSINESS

1. The number of vehicles in the Philippines is growing every year linearly.

2. The value of the Philippines market (car wash industry) USD 1,5 bil.

3. Using modern technology makes car wash a highly profitable business.

4. One car wash compartment can satisfy up to 200 customers a day (wash & wax).

5. The car wash business has grown significantly over the past 10 years around the world primarily thanks to the modernization of car wash technologies and the acceleration of the car wash & wax process.
